GROUP VICE PRESIDENT PROCUREMENT

to manage the Glamox Group supply of direct and indirect materials. The responsibilities include developing a long-term procurement strategy and managing the procurement organization to further develop cost-effective deals and suppliers. Vice President Procurement will build a procurement structure including a team of category managers, workflows and coach implementation in the Group factories. The position reports to the Group Senior Vice President of the Sourcing, Production and Logistics Division.

Responsibilities:

- Develop and execute strong sourcing strategies
- Discover profitable suppliers and initiate business and organization partnerships
- Negotiate with external vendors to secure advantageous terms
- Examine and test existing contracts
- Track and report key functional metrics to reduce expenses and improve effectiveness
- Collaborate with key persons to ensure clarity of the specifications and expectations of the company
- Prepare control strategies based on data analysis to prevent unfavorable events
- Perform risk management for supply contracts and agreements
- Control spend and build a culture of long-term procurement savings

Requirements:

- Proven min 5 year working experience as a procurement manager, procurement officer or head of procurement, preferably from automotive industry or similar
- Preferable MSc or BSc degree in supply chain management, logistics, engineering or business administration
- Strong knowledge of sourcing and procurement techniques
- Experience in working with and for international companies
- Strong leadership capabilities and change management experience
- Talent in negotiations and networking
- Strong in decision-making and good at working with numbers
- Excellent analytical skills
- Excellent spoken and written English skills
- Readiness to lead and perform in strategic function

Glamox offers a unique challenge to lead the strategic development of a key function within an innovative, successful and leading company in its area.

Glamox offers opportunities to successful leaders to develop further in the organization.

The values Glamox believes in are: Customers, Cooperation, Commitment, Quality and Ethics.

The location of job is Keila, Harjumaa, Estonia
